13. What is the name of the author of the book? Gaston Leroux

OPINION: Did you like the story? Why?

I believe it's a very good story, in fact, I love how the protagonist is also the antagonist. It's easy to read it, it catches your attention. As I said before the plot is really good, with unexpected actions and, different problems, and personalities among the characters of the story. And also the love triangle gives more positive points to the book.
